## “Country Walks”

### Farleton Fell

4½ miles : Allow 2½ hours

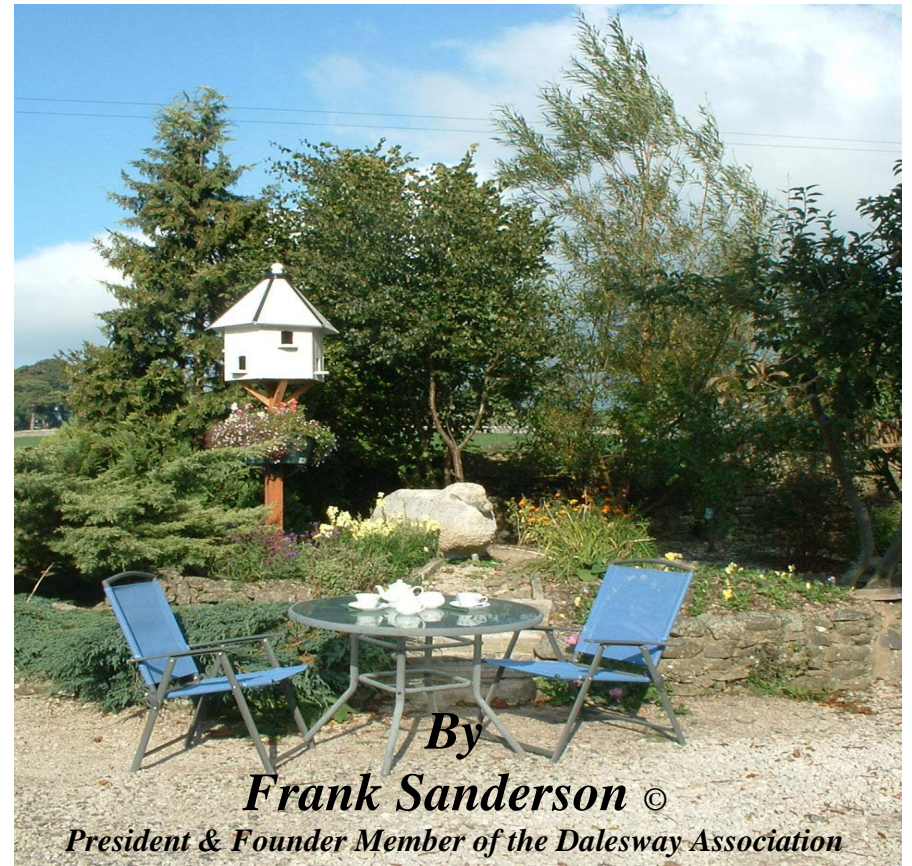

Stout footwear is recommended

Start & finish at the

“Old School Gallery & Tea Room”

Preston Patrick,

Crooklands, Nr. Kendal.

Start from the main A65 road in front of the  
**Old School Gallery & Tea Room.**

- 1.** With the **Old School Gallery** on your left and the Memorial Hall over on your right, walk along the left-hand roadside footpath for 400yds, to pass underneath a bridge supporting the M6 motorway. – Immediately on the opposite side of the bridge, cross over to the right-hand side of the road (with care) and join onto a Public Footpath, signposted [*along Lancaster Canal*].
- 2.** With the canal on your left, follow the tow-path for 1½ miles to arrive at Canal Bridge 'Number 155'.
- 3.** Go underneath the bridge then immediately **turn right** and ascend the stone steps, signposted [*Tewitfield 5*] to link up with a lane. – **Turn right** and cross over the canal, to reach a X-junction 30yds away, with the [*Kendal-Burton*] road. – Go straight across the road and follow this minor lane for a maximum of 125yds, then, (at the far end of the cottages on your right) **turn right** signposted [*Farleton Fell*]. – Proceed across a gravel driveway for 25yds, then pass through a squeeze-stile (by the side of the cottage) to enter a field.
- 4.** **Turn left** and ascend the steep grassy slope, parallel to the left-hand fence/hedge for 300yds, then **curve left** and climb over a stile in a wooden fence to enter rough fell. – With the steep slopes of Farleton Fell up on your right and the low farmland/M6 motorway down on your left, follow the well-defined path for 200yds, to reach a Y-junction.

- 5.** **Bear left** and follow the less arduous path for ¾ mile, to eventually arrive at a 3-way hard-surfaced lane.
- 6.** **Turn left** onto the lane and immediately pass through a large gate. – Follow this lane, bordered by hedgerow, for just over ½ mile, to reach a T-junction with another lane. – **Turn right** and walk along this lane for just over ¼ mile, to arrive at a bridge spanning the Lupton Beck.
- 7.** On the opposite side of the bridge, the lane forks. – **Turn left** signposted [*Milnthorpe : Crooklands*] and follow this lane for just under ¼ mile to reach a Y-junction. – **Bear left** and within a further 250yds, cross a bridge over the Lancaster Canal. – On the opposite side of the bridge, **turn left** through a squeeze-stile and descend to the tow-path. – **Turn left again** and retrace your steps along the canal path to rejoin the A65 Crooklands Road. – **Turn left** across the road (with care) and follow the roadside footpath to return to the **Old School Gallery & Tea Room.** ©
